Hi Chris,

Thanks for your email. We are still planning on the January 31st meeting.

I plan to send an agenda and some write ups by the end of next week. Generally, the topics will be 1) Critical period 2) reasonable assurance 3) Allocation/TMDL equation

We may also be able to have a more general discussion about aesthetics, but I don't foresee us determining our approach before then.

The only thing that has changed is that Andrew and I will need to wrap up by 2:00. Do you, Laurie and Ben have any time constraints that day? Maybe we could start at 10?

Thanks,

Leanne

Hi Leanne,

How are things going? Are we still a 'go' for our January 31 meeting in Lacey?

Chris
